KLMNPST

VIRUS

## Features

- Medium weight gauntlet
- Flock lined latex
- Honeycomb grip on palm
- Ergonomically shaped
- Food approved
- Resistant to a number of chemicals and cleaning agents

## Benefits

- Medium weight design affords excellent strength with high levels of flexibility and dexterity
- Soft flock lining helps to don and remove the glove whilst absorbing moisture, keeping the hand dry and fresh
- Non slip honeycomb pattern on the palm provides a confident grip
- The ergonomic design make the glove comfortable to wear for long periods and reduces hand fatigue
- Approved for use in food environments
- The glove is safe to use in food preparation and handling

## Sectors

- Janitorial
- Cleaning
- Maintenance
- Kitchen Work
- Waste Management
- Food
- Local Authority
